Program Guidelines & Agreement

To participate in the No-Cook Bags for the Homeless program, an organization must agree with the following guidelines. The objective of these guidelines is to support the intended social outcomes of the program and ensure adherence to the requirements set forth by the funding grants.

1. Organizations qualified to distribute No-Cook Bags are registered non-profits, local governments, instrumentalities of local governments, and public housing agencies. For-profit entities are not eligible to participate in this program.
2. Organizations must make reasonable efforts to distribute the No-Cook Bags only to qualified patrons. Qualified patrons are individuals experiencing homelessness, i.e. lacking consistent, safe, secure, and adequate housing. This includes those with a primary night-time residence in a homeless shelter, a domestic violence shelter, long-term residence in a motel, a vehicle, a tent, or other *ad hoc* housing situations. Individuals that have been placed in temporary housing through a transitional housing program do not qualify to receive No-Cook Bags.
3. No-Cook Bags may not be disassembled and must be distributed in their original bags. Organizations may distribute other food (bread, fresh fruit, etc.) and non-food (sanitary wipes, toothbrushes, etc.) items along with the No-Cook Bags.
4. No-Cook Bags may not be distributed with religious literature, holiday meal invitations, or any other non-secular materials, or as a condition of required attendance to any type of religious or spiritual service.

Please sign below if your organization understands and agrees to follow these guidelines for participating in the No-Cook Bags for the Homeless program.
